IC&RC International Certificate

Effective July 1, 2012, the International Certification & Reciprocity Consortium (IC&RC) voted to end producing and mailing free International Certificates. However, they have given member boards the option of printing certificates and mailing them to their eligible professionals.

Therefore, at the South Dakota Board of Addiction and Prevention Professionals (BAPP) Board of Directors meeting on June 7, 2012, the Board voted to make available International Certificates at a cost of \$20 per certificate to eligible professionals who complete an application for the Certificate.

Please note this is an option available to all eligible professionals – not a requirement.

The International Certificate will be available to the following professionals:

- Certified Addiction Counselors (CAC)
- Licensed Addiction Counselors (LAC)
- Certified Prevention Specialist (CPS)

Receiving an International Certificate is dependent upon having a valid and current certification/license with the BAPP. Therefore, at the time of certification/licensure renewal, the BAPP must receive your annual renewal materials, along with the 'Application for IC&RC International Certificate' and the \$20.00 certificate fee before an IC&RC International Certificate can be mailed.

Note:

- Individuals on 'inactive' or 'retirement' status are not eligible for an International Certificate.
- Dual credentialed professionals, who want two certificates, shall pay \$40.
